The rule

HCIS must finish the hire by the processing deadline (the Wednesday before the start). Anyone not cleared by 8/5 moves to the next pay period and starts 8/22.

Red = blocked, reopened or stalled, with the deadline 14 days away or less. Act now.
Gray = same problems, but there's still time.
Navy = on track.

Clear by 8/5 or the start moves to 8/22
